Co-Lead Counsel for Plaintiffs

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

In Re Dynamic Random Access Memory
(DRAM) Antitrust Litigation

Master File No. M-02-1486 PJH

MDL No. 1486

This Document Relates To:

All Actions

**STIPULATION AND [ORDER] RE
EXTENSION OF TIME TO SUBMIT
DISCOVERY COORDINATION PROPOSAL**

1 WHEREAS the Court issued its Further Case Management Order on July 19, 2005 directing,
2 among other things, the direct purchaser plaintiffs, the indirect purchaser plaintiffs and the defendants
3 to meet and confer in an attempt to arrive at a discovery plan that seeks to avoid duplication
4 regarding the indirect purchaser plaintiffs' discovery and directed the parties to submit their proposals
5 for coordinating such discovery by August 12, 2005;

6 WHEREAS there are competing proposals for leadership of the indirect purchaser class
7 actions pending before the Court; and

8 WHEREAS the direct plaintiffs and the defendants believe that resolution of the leadership of
9 the indirect purchaser actions will facilitate the negotiation of a discovery coordination plan.

10 **IT IS THEREFORE STIPULATED:**

- 11 1. The parties shall meet and confer regarding the coordination of the indirect purchaser
12 discovery as outlined by the Court's July 19, 2005 Further Case Management Order; and
13 2. If a joint stipulation is not possible, any party may submit a proposal concerning discovery
14 procedures for the Court's consideration two weeks after the Court enters an order setting
15 the leadership structure of the indirect purchaser actions.
